The information originated while the FBI was conducting an investigation of a separate individual that had been recently arrested for distributing child pornography.

Mr. Dove is not authorized to access the Internet without the installation of monitoring software. Specifically, he was informed by the undersigned officer on December 10, 2015, that he may not possess a smart phone as there is not an acceptable software system that can monitor his Internet use on mobile devices.

Special Condition # 20: You shall be prohibited from possessing or manufacturing any material, including videos, magazines, photographs, computer-generated depictions, or any other forms that depict sexually explicit conduct involving children or adults, as defined at 18 U.S.C. § 2256(2). Neither shall you enter nor frequent any establishment involved in the sex industry, including adult bookstores, massage parlors, and strip bars. You shall not utilize any sex-related adult telephone numbers. The supervising probation officer is authorized to monitor compliance in this area by obtaining telephone records.

Supporting Evidence: Daniel Dove was arrested for Possession of Child Pornography, in violation of 18 U.S.C § 2252A, by the Federal Bureau of Investigation on June 29, 2016.

In addition, the undersigned officer was present when Mr. Dove admitted to viewing child pornography over the course of approximately 5 months, between January and May 2016.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
